

ARRIVAL AND DISPERSAL PROCEDURE

ARRIVAL

1. Gymnasts to be allowed 1 accompanying adult prior to entry.
2. Gymnasts to arrive already dressed to train. Changing rooms not in use.
3. Participants must queue outside, maintaining social distance until instructed to enter by the Coach in charge.
4. All participants are temperature checked and confirmation of being symptom free prior to entry. If a gymnast or family member have had symptoms, then entry will be refused.
5. If temperature within normal range, only the gymnast can enter gym. If an elevated temperature is shown, gymnast and adult are instructed to wait for a second reading before being allowed to enter. If it remains elevated gymnast will not be allowed entry and told to seek medical advice and follow Government guidance. **Parents/carers must wait until the gymnast has been allowed entry before leaving.**
6. Gymnast will then be entered on the class register.
7. On entry gymnast will sanitise hands and proceed directly into to gym to be instructed to place their belongings in designated area and then to a position on the floor area to await further instruction.
8. Once the complete class is in place the Coach in charge will lead the session.

DISPERSAL

1. At the conclusion of the session gymnasts will be required to return to their position on the floor area.
2. They will then be instructed by the Coach in charge to collect their belongings one by one.
3. Under the control of a Coach they will queue in the corridor at the appropriate distance until being instructed to be collected by the accompanying adult.
4. Parents/carer must arrive in good time before the end of the session and will be required to wait outside, maintaining social distance, until the child leaves the building.
5. If no adult is there to collect a gymnast, they will wait in the reception area until adult collects them. If there is a significant delay, then emergency contacts will be telephoned.
6. Once gymnasts have left the gym, remaining coaches to undertake cleaning procedures.
